The art of a beautiful bathroom

# A R C A D E

A new range of bathroom pieces with a unique Belle Époque appearance – designed to bridge the gap between today's modern minimalist and yesterday's period pieces.

A truly timeless brand set to provide the ultimate in luxury for any traditional or contemporary setting. Arcade includes beautiful ceramic sanitaryware, free-standing baths and stunning showering masterpieces.

Every piece is hand finished with exceptional care using the finest materials and manufacturing process. A nickel finish is used throughout all brassware, fittings and accessories within the Arcade range, completing the luxury concept and setting the range apart, as the most acclaimed in bathroom styling.

Extravagant centrepieces, *iconic design*.

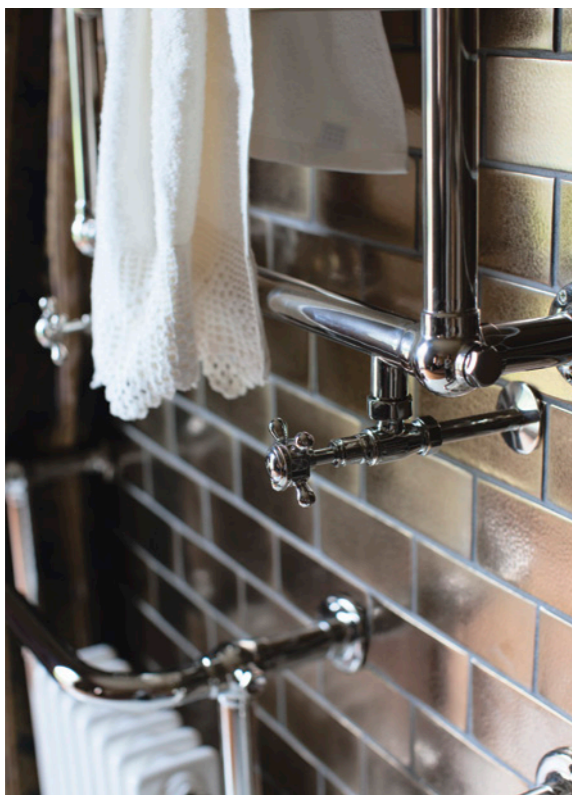

Left-handed Royal free-standing over bath shower with up stand including traditional leg set and fire hydrant waste.

See page 71 for technical details.

Left-handed Royal free-standing over bath shower with up stand including traditional leg set and fire hydrant. Full back-to-wall close-coupled WC with soft-close seat in White, free-standing paper roll & china brush holder, free-standing triple towel rail stand, three fold bathroom mirror, wall-mounted china mug and holder, 1200mm double basin with ceramic console legs, deck-mounted three hole basin mixer taps.

*See page 48 for the technical section.*

The durable, triple-layer nickel coating creates *a long-lasting lustre* on all our fixtures and fittings.

Piccadilly shower temple, see page 30. Wall-mounted three tap hole basin mixer, see page 62.  
Babble & Lansdowne radiators, see page 46. Oval light base with frosted glass tube shade, see page 35

Natural stone baths with  
a stunning, *matte finish*.

FIRE HYDRANT ▽

*Add opulence to your bathroom*

Named Fire Hydrant due to its classic design, this is a very distinctive waste system that operates from the plughole for baths with no overflow.

*See page 64-65 for further details.*

The Fire Hydrant is compliant with the Vigo, Vine and Sackville natural stone baths and comes with the Royal free-standing bath for a truly decadent look.

Sackville natural stone bath with traditional leg set, deck-mounted bath shower mixer with floor-mounted exposed decorative shrouds and fire hydrant including outlet extension.

*See page 53 for technical details on the Sackville bath.*

900mm basin with ceramic console legs, dual-lever basin mixer. Back-to-wall WC with soft-close seat in White. Back-to-wall bidet and single-lever bidet mixer.

See page 57 for technical details on the 900mm basin.

Choose between ceramic legs, nickel wash stands, furniture units or a pedestal to give your basin a unique appearance within your bathroom.

#### WC SEAT OPTIONS ↑

The soft-close seat is available in 4 colours, White (as shown), Gloss Black, Sand and Dark Olive. See specification page 60 for more details.

*This page and opposite:* Babble radiator with angled radiator valve, 1000mm walk-in shower enclosure for a corner installation, Zamori rectangle shower tray 1000mm x 900mm, 9 inch air boosted rain shower rose with wall-mounted straight shower arm and Trent concealed thermostatic shower valve including valve handle and ceramic lever. Oval light base with clear glass vase shade, rectangular swivel mirror with curved corners. 900mm basin with ceramic console legs, dual-lever basin mixer.

*See page 48 for the technical section.*

500mm cloakroom basin with mini single-lever basin mixer. 500mm cloakroom basin with 500mm vanity unit Sand and cloakroom basin pillar taps.

See pages 54-59 for technical details on our basin range.

## Design a bathroom to suit your *specific needs*.

Arcade features a variety of basin options in both size and style to complement your bathroom. Select a 600mm or 900mm basin and pair with a stylish ceramic pedestal or a pair of console legs.

For a sleek finish choose the beautiful nickel finished floor stand for both of the above sizes or the 1200mm double basin. For an elegant space saving solution, our vanity units can be paired with every basin, including a 500mm cloakroom basin for bathrooms with reduced space. These stunning furniture pieces are available in either a subtle Sand or opulent Dark Olive colour.

The 500mm cloakroom basin is featured opposite and can be installed as wall mounted or with a vanity unit. For the full range, please see pages 54 & 59 of the technical section.

1.

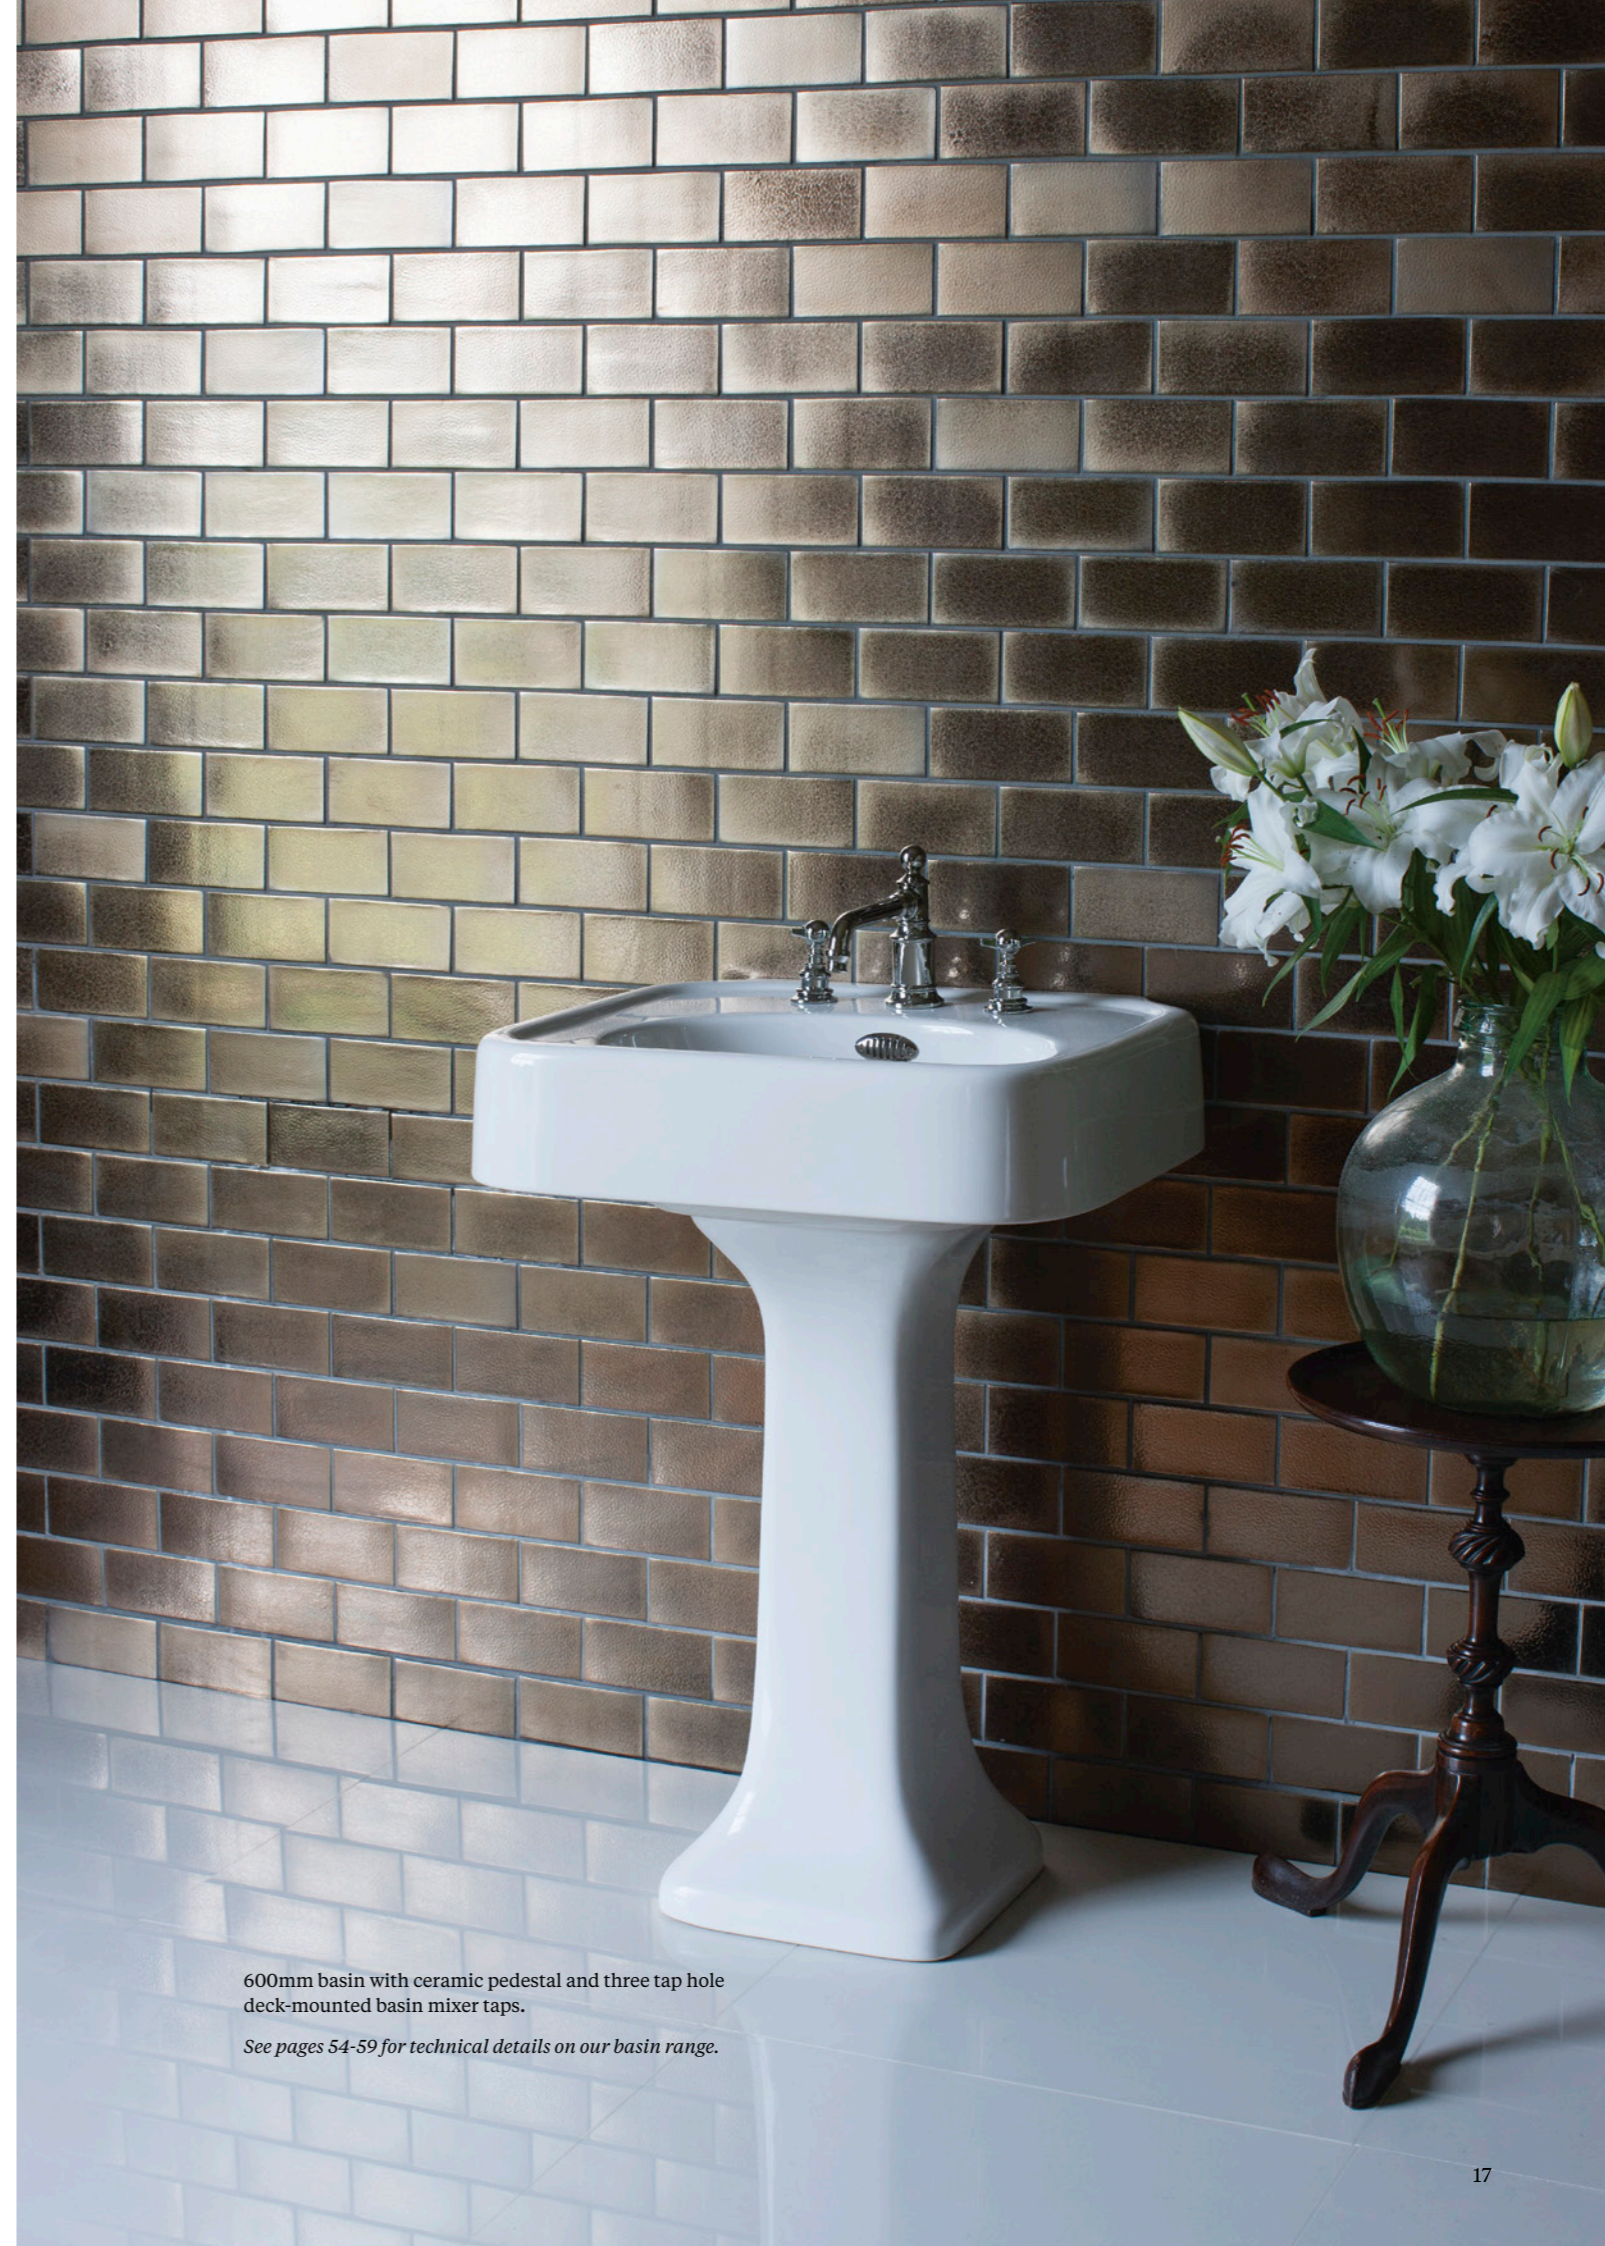

2.

3.

1. 900mm basin with nickel floor stand and dual-lever basin mixer. 2. 600mm basin with ceramic console legs, three tap hole wall-mounted basin mixer taps and Bruton radiator with angled radiator valve. 3. 1200mm double basin with ceramic console legs and three tap hole deck-mounted basin mixer taps.

600mm basin with ceramic pedestal and three tap hole deck-mounted basin mixer taps.

*See pages 54-59 for technical details on our basin range.*

WC SEAT OPTIONS ↑

The soft-close seat is available in 4 colours, White (as shown), Gloss Black, Sand and Dark Olive. See specification page 60 for more details.

*Opposite:* Oval light base with White fine pleat shade, rectangular swivel mirror with curved corners and wall-mounted china soap dish. 900mm basin with nickel floor stand and three tap hole deck-mounted basin mixer taps.

*This page:* Open back close-coupled WC with cistern and soft-close seat White.

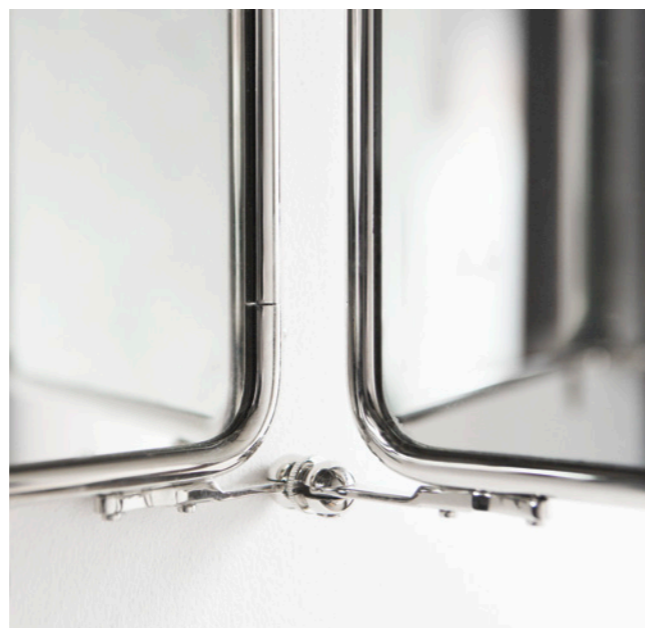

*See pages 60-61 for technical details on WCs & bidets.*

*This page and opposite:* Albermarle free-standing nickel finish bath, deck-mounted bath shower mixer, floor-mounted exposed water pipes with support bar and bath-mounted extendable bath rack.  
*See page 50 for technical details on the Albermarle bath.*

## Lights & Mirrors

The perfect addition to your timeless bathroom, Arcade mirrors with a nickel finish provide an added touch of elegance and functionality. Choose between the square or rectangular swivel mirrors or the extravagant three-fold mirror which folds out to reflect the beauty of your bathroom from every angle. Add opulent lights with an oval nickel base and a choice of shades for the perfect soft and flattering lighting. Choose between glass vase shades in either clear or frosted glass or delicate shades in crisp White or Stunning silver Chiffon.

WC SEAT OPTIONS ↓

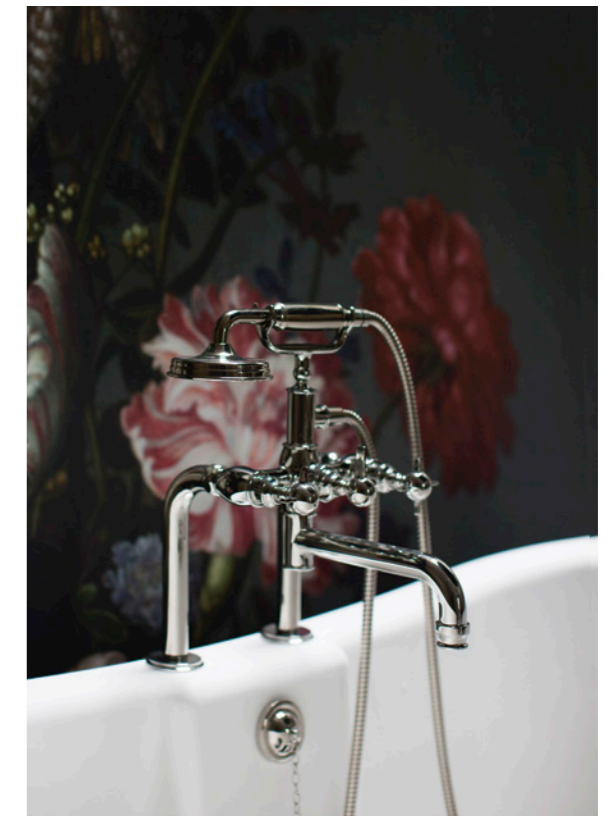

The soft-close seat is available in 4 colours, White, Gloss Black (as shown), Sand and Dark Olive. See specification page 60 for more details.

Lansdowne radiator with angled radiator valve, oval light base with clear glass vase shade and rectangular swivel mirror with curved corners. 600mm basin with ceramic pedestal and three tap hole deck-mounted basin mixer taps. 900mm single sliding door quadrant shower enclosure, Zamori 900mm quadrant shower tray, 9 inch air boosted rain shower rose with wall-mounted straight shower arm, trent concealed thermostatic shower valve including valve handle and ceramic lever and wall-mounted corner basket. Open back close-coupled WC pan and cistern with soft-close seat Black. Wall-mounted paper roll holder with ceramic bar and wall-mounted brush and china holder.

See pages 66-69 for technical details on shower enclosures.

Vine natural stone bath with traditional leg set and deck-mounted bath shower mixer.  
 See page 52 for technical details on the Vine bath.

Three tap hole deck-mounted basin mixer taps without pop-up waste. Trent concealed thermostatic shower valve including valve handle and ceramic lever. Open back close-coupled WC pan and cistern with soft-close seat Black and wall-mounted paper roll holder with brass bar. Deck-mounted bath shower mixer.

Every Arcade piece is lovingly crafted and hand finished with exceptional care using the finest materials and manufacturing process. Outstanding fittings and accessories are presented in a beautiful nickel finish, which provides a heightened level of luxury and decadence.

Our nickel finished pieces, including all brassware are completed with a specific process called PVD to guarantee durability, ensuring your beautiful bathroom remains in the finest possible condition for a lifetime.

First, the polished brassware is immersed into a nickel plating tank to provide a layer of protection. This is what gives every Arcade piece a deep lustre, glossy finish. Next the piece is chrome plated which provides corrosion resistance and increases surface hardness. Finally nickel is once again deposited onto the product to provide an extra protective skin and an ultimate look of sophistication.

It's this process that sets Arcade apart as the most acclaimed in bathroom styling.

Arcade air-boosted shower roses create an invigorating powerful shower, whilst also being *incredibly water efficient*.

*This page and opposite:* Piccadilly shower temple including fittings, shower tray and traditional leg set.

*See page 72 for technical details.*

Complete Arcade Pashley bicycle including 600mm basin and taps (shelf not included).

*See page 59 for technical details.*

The Arcade bicycle is an inspiring and eye-catching form which adds a unique character to the basin. Pair with wall-mounted brassware to make the most of your bathroom.

### WC SEAT OPTIONS ↓

*See page 54 for technical details on the 500mm cloakroom basin and vanity unit.*

#### FURNITURE ↑

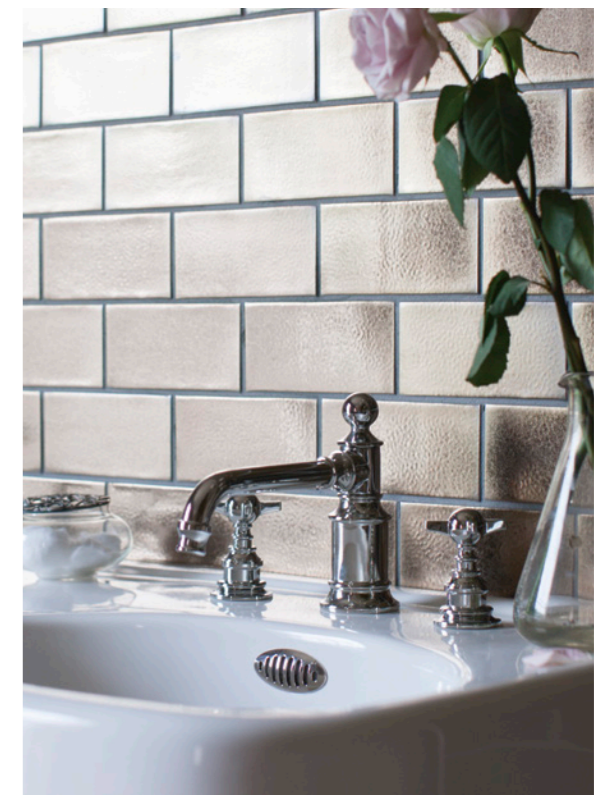

Available in both Sand (as shown) and Dark Olive. All furniture is provided fully assembled. Doors are soft-closing and fitted with nickel finish door knobs.

## Nickel finished brassware crafted with exceptional care.

Every tap is supplied with a flow straightener for areas of low water pressure and an aerator for areas with a high water pressure to ensure water is delivered at a consistent pressure regardless of incoming water. This regulation of the water means you receive perfect water flow every time you turn on the tap.

Tap hole options - every basin is available with 0, 1, 2 or 3 tap holes (excluding cloakroom basins). Choose from deck-mounted pillar taps and mixers or wall-mounted three tap hole options which leaves your ceramic in one seamless piece.

For all Brassware options please refer to the specification section on page 62-63

Wall-mounted three tap hole basin mixer. Cloakroom Basin pillar taps.  
Dual lever basin mixer. Deck-mounted three hole basin mixer.

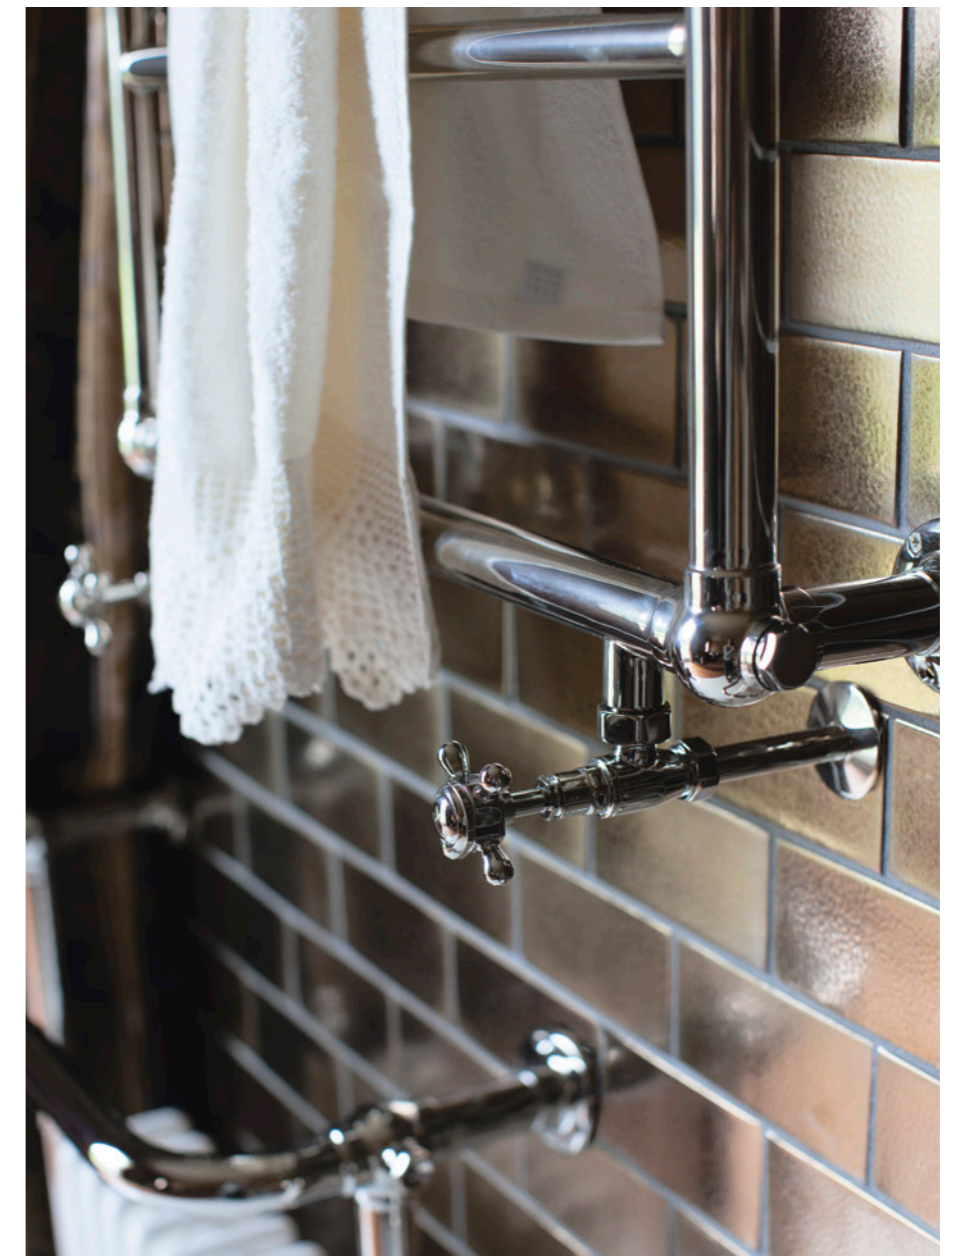

Top: Babble radiator, Left: Lansdowne radiator, Right: Bruton radiator.

Opposite: Angled radiator valves.

See page 78-79 for technical details.

Each of the Arcade radiators are finished in nickel to add a level of class to your bathroom. Choose from three beautiful styles and pair with straight or angled valves.

# Technical specifications

The following section provides necessary measurements and dimensions for every product in the Arcade portfolio. Be sure to pair your chosen basin with a pedestal, console legs, nickel wash stand or the beautiful and functional furniture units. Then select from either of the gorgeous matte natural stone baths, the exquisite Albermarle nickel finish bath or iconically designed Royal or Piccadilly free-standing shower options for the ultimate eye-catching centrepiece to your timeless bathroom.

Finish: Nickel plated  
**Code: ARC13**

Innovative Designs, these taps are supplied with quarter turn valves.

Dual-lever basin mixer

# Fire Hydrant

for the ultimate timeless look

Complete fire hydrant in nickel (including outlet extension, waste extension and cover plates for overflow hole)

Code: ARC40

**a. Extension\***

\*Allows the waste pipe to be fitted up to 950mm away from the centre of the bath waste hole.

**b. Waste & P-trap Extension\***

\*Allows the waste pipe to be situated up to 500mm away from the waste.

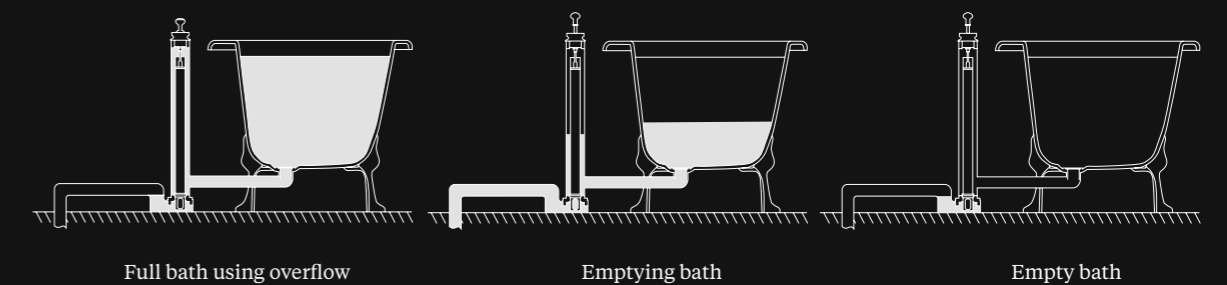

## Technology

Named fire hydrant due to its classic design, this is a very distinctive waste system that operates from the plug hole. Water fills the hydrant which incorporates a built in overflow and plug system, simply lift the handle to empty your bath. This waste system adds a level of opulence to your bathroom.

The waste pipe in our 'fire hydrant' is designed so that you can change the angles to fit into your waste in the floor.

Shown on page 02 with the Royal free-standing over bath shower and page 08 on the Sackville natural stone bath.

# Shower enclosures

**Hinge Door**  
See table below for size options  
All enclosures are 1950mm high and adjustable up to 20mm from each wall
