*In life, there are pleasures that you choose and pleasures that you share only with someone special. Such as Vanity, a bathroom and toiletry cabinet with a 120 diameter top.*

Molto femminile la linea della gamba di sostegno  
centrale su cui poggia il piano con lavabo ad  
incasso e le scatole porta-oggetti.*

**doll damasco** 1 2 3 4 5 6 7 8

*C'è un periodo in cui tutto ti sembra immobile nella sua perfezione, come se il tempo non fosse in movimento ma fissato sull'immagine di un mobile bagno di gran lusso. Oggetto sensuale, Doll Damasco, ricco di particolari insoliti, di cui ammiri la ricercatezza e il valore.*

*There are moments when everything seems frozen in its perfection, as if time stopped moving and fixed itself on the image of a luxurious cabinet. An elegant cabinet rich in unconventional details that excite your admiration.*

*Una griglia ornata in un bagno d'oro o d'argento caratterizza questo sistema bagno, pregiato anche per la sua funzionalità: piano e lavabo in marmo, gambe nere laccate lucide, contenitore ampio e curato in ogni dettaglio.*

*A golden or silver-plated grid characterizes this cabinet, prized also for its functionality: a marble top and basin, bright lacquered black legs, a large and painstaking made cabinet.*

e ancora una volta ti lasci affascinare dalla  
sua forma aggraziata e dal suo prezioso  
frontale in capitonné o matelassé.*

Close your eyes and recognize your Cameo and,  
for once, let yourself be captured by  
the elegant shape of Cameo with its padded

ghost 1 2 3 4 5 6 7 8

*Ghost è la tua visione mentale che prende forma in un sistema bagno di estrema eleganza. Laccature chic in una vasta gamma di colori, top in vetro o in marmo, cassetti rivestiti in velluto con passamanerie uniche e maniglie con il logo Y. Raffinatissimo!*

*Ghost is your mental vision that takes the form of an extremely elegant bathroom. Refined lacquering in a wide range of colours, glass or marble tops, drawers lined in velvet and unique trimmings and handles with Y logo. Very elegant!*

*La struttura posteriore di Ghost è particolare: in vetro a specchio con un secondo specchio contenitore al centro. Una caratteristica che lo rende un pezzo unico, se personalizzato da te.*

*Ghost's back structure is very particular; the mirror-glass contained a second mirror in the centre that can hold objects. This customizable feature makes it a unique piece.*

**hampton** 1 2 3 4 5 6 **7** 8

*Avevi sentito la storia, a frammenti, da varie persone e, come spesso accade in casi simili, era una storia diversa.*

*Se conosci Hampton, conosci anche come è fatto. A regola d'arte. Il mobile si presenta in due versioni: Hampton 100 in rovere europeo fumé e 180 in rovere chiaro.*

*You've heard the story in pieces from different people and, as it often happens, it was a different story. If you know Hampton, you know how it is made: perfectly. The cabinet comes in two versions: Hampton 100 made of dark European durmast and Hampton 180 of light durmast.*

*Entrambi i modelli sono dotati di piano in marmo o Korakril. Tantissimi i cassetti push-pull nel cui interno, giallo ocre laccato, è impresso il logo Y su un fondo di crosta cerata. Un dettaglio che lo valorizza nel suo essere contenitore straordinario.*

*Both models are equipped with marble or Korakril top. Lots of push-pull drawers with lacquered yellow ochre interiors and a Y logo branded on the waxed crust leather bottom. A detail that makes it one-of-a-kind.*

*La storia di Hampton si poggia sulle sue gambe: in rame con una struttura leggera ma solida che si ispirano all' High Voltage. Hampton trasforma la tua stanza da bagno in luogo ideale dove assaporare i piccoli piaceri quotidiani.*

*The story of Hampton is told by its legs made of copper with a light, but strong, frame inspired by High Voltage. Hampton turns your bathroom in an ideal place where you can enjoy daily pleasures.*

gem 1 2 3 4 5 6 7 8

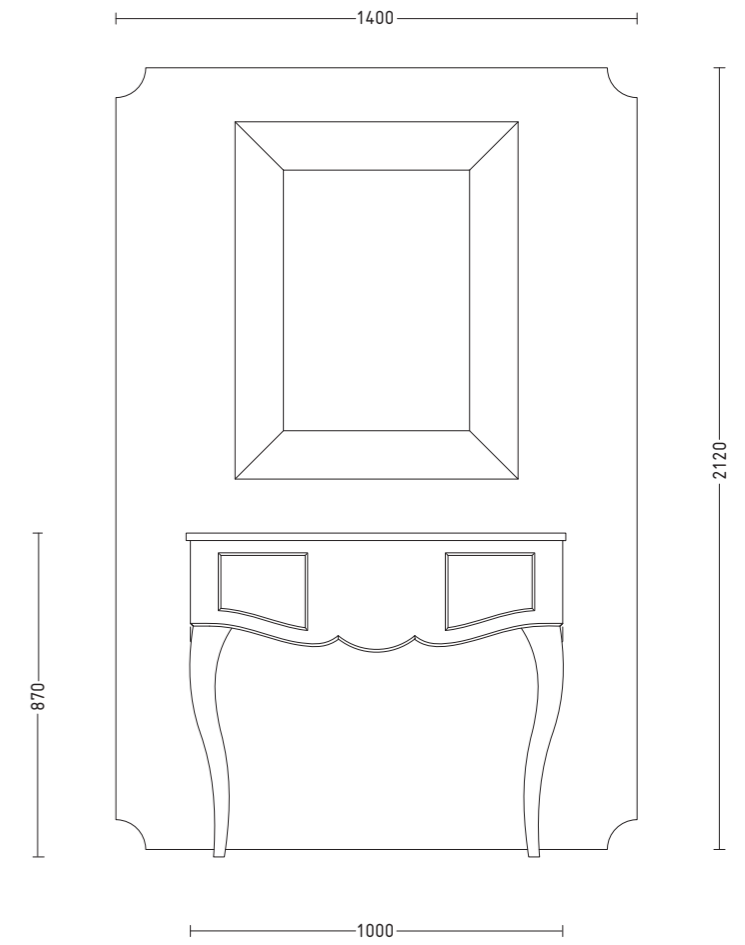

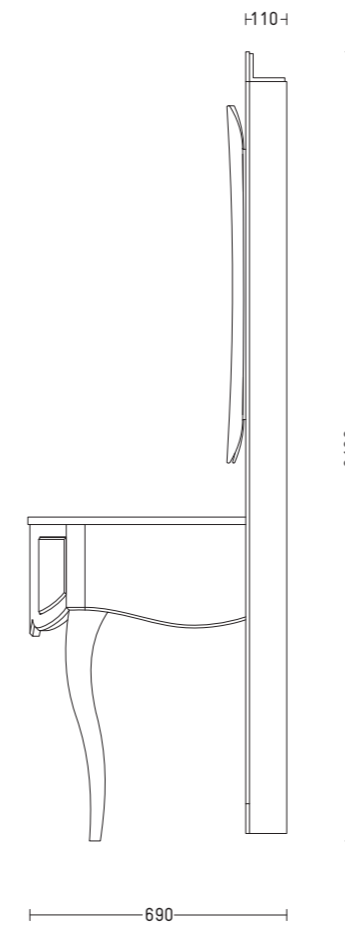

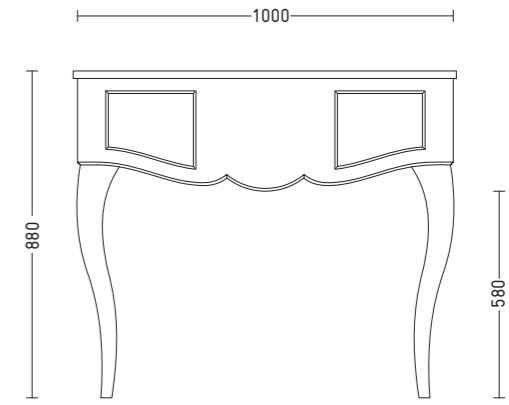

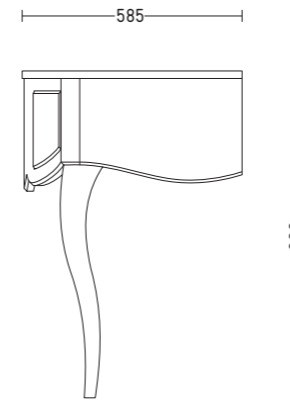

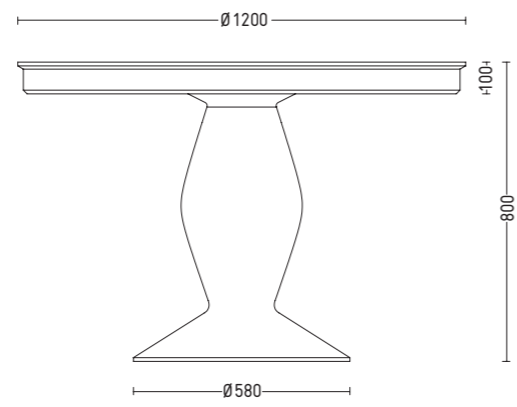

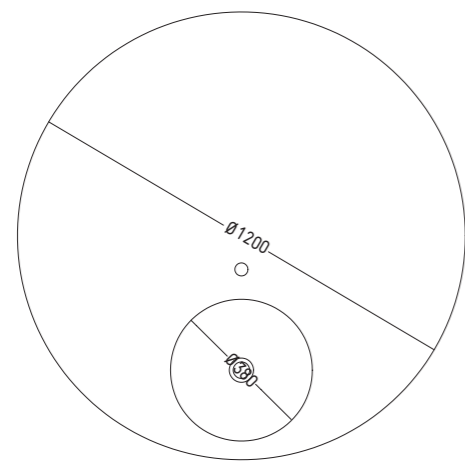

*Come acqua che danza in una vasca satinata.  
Come un diamante, le cui sfaccettature  
gli conferiscono un tocco di classe.  
Come una chimera monolitica, il cui blocco  
unico di marmo è venato da effetti naturali.  
È Gem, nuovo, inconsueto, glamour.*

*Like dancing water in a silky bath or a  
multi-faceted diamond with its special touch  
of class. Like a monolithic chimera made from  
a single marble block that has been veined by  
nature. This is Gem, new, unusual and glamorous.*
