THE BOLD LOOK
OF **KOHLER®**

David Kohler

Executive Vice President

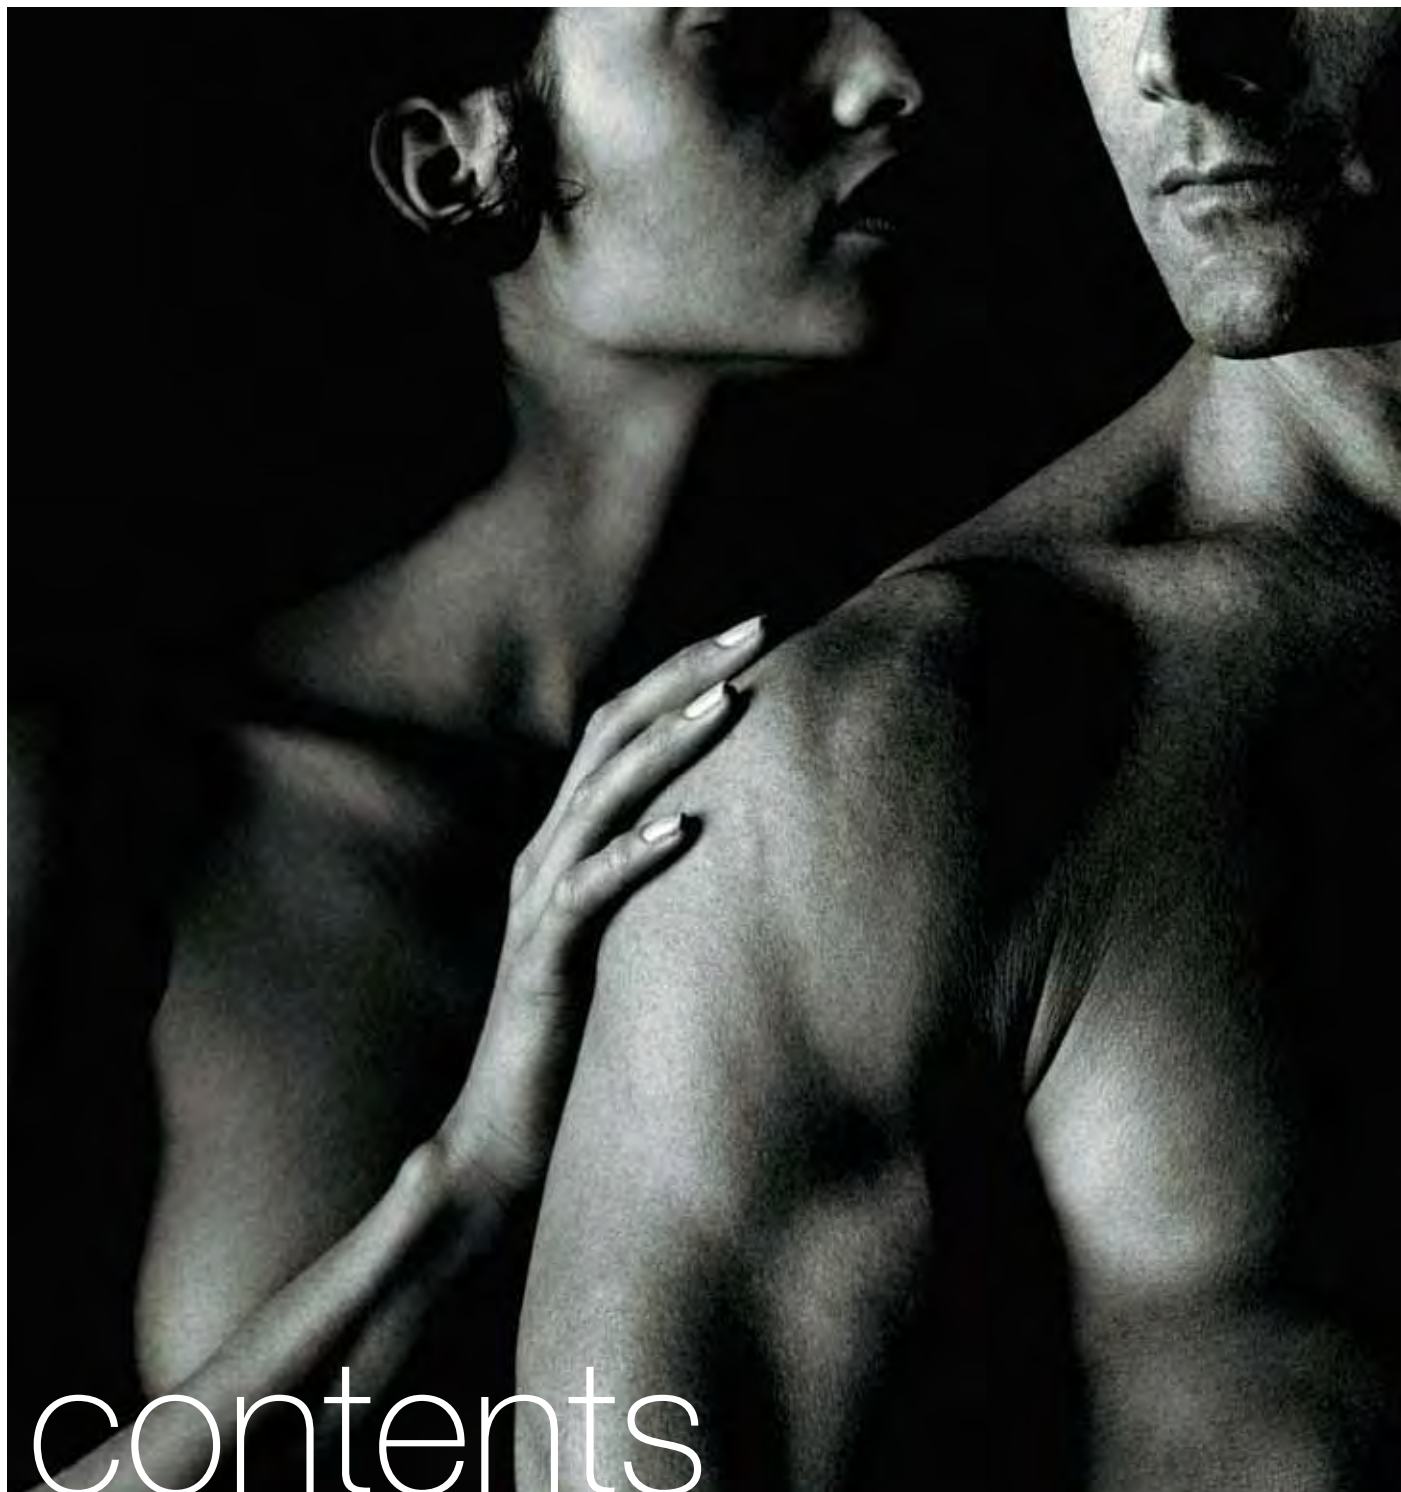

A singular level of exceptional quality. It's the guiding principle that Kohler Co. has been founded upon for over 130 years. THE BOLD LOOK OF KOHLER® and our mission to enhance gracious living continue to build from this central promise.

KOHLER® products reflect this heritage of excellence. Leading-edge design, advanced technologies and renowned craftsmanship characterise our innovative kitchen and bath products, engines and generators, cabinetry and furniture. This foundational quality extends throughout all facets of the organisation, including our world-class hospitality and resort destinations, customer service centres, and all of our associates.

This brochure represents decades of creative passion and our commitment to bring only new and unique products to market. It presents the hallmarks of KOHLER plumbing products and, ultimately, reinforces our dedication to creating truly delightful consumer experiences.

A handwritten signature in black ink, appearing to read "D. Kohler". The signature is fluid and stylized, with a long horizontal stroke at the end.

Basins

Basins

Your bathroom basins should reflect your unique preferences in décor, as well as provide you with a lifetime of reliable performance. KOHLER® basins are available in a compelling range of styles, from traditional to contemporary, as well as a wide array of durable materials and unique colours. Choose from wall-mount, Vessels™, under-counter, self-rimming, semi-recessed, pedestal, and vanity top installation options to suit your space configuration and design interests.

Wall-Mount Basins

Featuring space-saving designs and innovative shapes, KOHLER® wall-mount basins are equally suited for powder rooms and master bathrooms. These basins can serve as focal points or be integrated into complete suites of fixtures and tapware, depending on configuration possibilities and your stylistic preferences.

Trilogy™

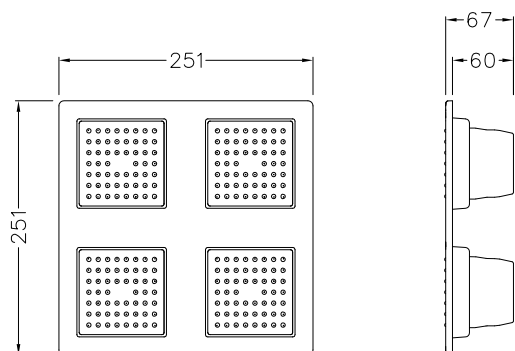

Trilogy showers offer an integration of aesthetics, functionality and leading edge solutions. No longer are bathrooms simply a place for a quick wash, hidden behind four walls and a door, where the sole purpose is purely practical and aesthetics are largely ignored. A fully integrated shower system, the Trilogy Tile Enclosure is comprised of a frameless door system, waterproofing wall system and tile tray.
