STEPIN
design SUZANA NOBRE

STEPIN

De design contemporâneo, amplas, planas e com uma altura reduzida, facilitando o acesso à zona de duche. Existem nas versões **vidrado liso** (branco) e **antiderrapante** (branco, cinza ou preto), o que para além de um tato agradável em toda a área da base de chuveiro, permite uma utilização segura, em particular por crianças, idosos e pessoas com mobilidade reduzida.

Features a modern-day design with spacious, flat features and a reduced height to facilitate access to the shower area. It comes in **glazed** (white) and **anti-slip** (white, grey or black) versions, which in addition to providing a pleasant feel around the entire floor area of the shower, ensures safe use, particularly for children, the elderly and people with limited mobility.

Au design contemporain, avec des lignes amples, planes et une hauteur réduite, qui facilite l'accès à la zone de douche. Les receveurs existent en version **émaillée lisse** (blanc) et **antidérapante** (blanc, gris ou noir), ce qui, outre un toucher agréable sur toute la surface du bac à douche, permet une utilisation en toute sécurité, en particulier pour les enfants, les personnes âgées et personnes à mobilité réduite.
