*Constant and dependable character on every day's creations is never a chance event,
it represents a wise choice of many alternatives and that makes a brand.*

That very same thought held AL T T O's creative team to the idea of embodying a new concept. The urban minded, contemporary, fresh and trend setting brand, embraced the perfect balance between that desired boutique feel and a fresh affordable spirited atmosphere.

An experienced, knowledge based and resource-efficient team, christened in Porto this brain wave, nurturing it till its debut in Paris, in January 2016.
