## Albino Miranda, Ltd.

Founded in 1989, **Albino Miranda, Ltd.** is a company that is within the decorative sector, creating and developing furniture and sculpture.

Starting with the **Gestos** brand, the company has debut on the market with a stone composite developed by **Albino Miranda**, in order to conceive decorative sculptures.

With its progress come however new investments, such as the adaptation to the unique furniture, combining stone with exotic woods and custom finishes.

In 2009, with the need to take the first steps in the international market, the company embraces a new challenge, presenting their latest brand of furniture in fiberglass, **Karpa**, designed for interior and exterior and composed by a wide range of artistic, unique and luxurious products.

It was in 2015, with **Karpa** focused on artistic and unique solutions and the desire to expand to different markets, that the company launched the **GANSK** brand, in order to serve markets that look for something more simple and elegant, proposing innovative, modern and sophisticated fiberglass furniture.

**GANSK**®

**GANSK** is a contemporary furniture brand in fiberglass, designed for indoor and outdoor.

Inspired by modern lines, **GANSK** characterizes itself by simplicity, minimalism and functionality, adding design and comfort to each project.

The versatility of its pieces allows adjustments in terms of finish, size and shape, which will make **GANSK** a useful tool for every professional.

## Climar

The partnership between **GANSK** and **Climar** was born from the desire to develop a range of contemporary lighting products that are truly unique and appealing, combining the creative potential of **GANSK** while producing furniture in fiberglass, with the technology, know-how and technical capacity of **Climar**, which has an extensive experience in the lighting area.

“As partners we aim to grow founded on principles such as innovation, design and elegance, with the objective of standing out of the rest of the market and give each space a unique and reassuring identity.”
