del consumo luxury goods in esperienze, sensazioni,
emozioni.

A close-up photograph of a light-colored, textured surface, likely a piece of furniture or a decorative object. The surface has a subtle, embossed logo in the center-left. The logo consists of a stylized, cursive 'M' or 'B' shape with a central vertical element. The lighting is soft and directional, creating gentle shadows that emphasize the texture and the embossed details. The background is blurred, showing more of the same material and a dark, indistinct shape.
