HORIZONTAL AND VERTICAL SYSTEM

Un programma aperto, articolato e flessibile pensato per disegnare spazi attraverso segni nitidi ed eleganti, definiti dal rigore delle linee.

Un sistema che consente la massima libertà nel creare la combinazione ideale di elementi sospesi che si ripetono sviluppando composizioni e destinazioni funzionali adattandosi ad ogni ambiente.

HORIZONTAL e VERTICAL IRON sono degli elementi in lamiera di metallo laccati opaco che possono disporre di un box contenitore mobile in legno di faggio. VERTICAL WOOD è un elemento unico in faggio naturale multistrato con box contenitore fisso impiallacciato esternamente con legno ricomposto decorativo.

An open collection of elements arises, combined and flexible, invented to draw spaces through sharp and elegant signs, shaped by rigorous lines. A system allowing the greatest freedom to create the perfect combination of elements fixed to the wall, repeating itself to generate different and functional purposes, a presence appropriate for every habitat.

HORIZONTAL and VERTICAL IRON are elements in metal plate, matt lacquerd that can have a movable container box in beech plywood.

VERTICAL WOOD it's an unique element in beech plywood with a container box, veneered externally with decorative reconstituted wood.

A S H A W O O D

Letto con struttura base in massello di faggio crudo, composta da quattro elementi, interamente smontabile.

Struttura portante interna in tubolare di ferro.
