

A large, leafy tree with a thick trunk, set against a clear blue sky and a green field. The tree's branches are spread out, and the leaves are a vibrant green. The background shows a line of trees and a field of tall grass.

Salone del Mobile 2015

Colombo Mobili
MADE IN ITALY

Salone del Mobile 2015

Protagonista indiscussa di quest'esposizione è la boiserie, declinata sapientemente in ogni ambiente.

L'ingresso suggerisce al visitatore attento l'atmosfera sognante e positiva tipica degli ambienti Colombo Mobili.

Il primo corridoio ripropone la vetrina realizzata per la collezione 2014, uno sguardo al passato recente che conferma i valori e la cura caratteristici di tutta la produzione Colombo Mobili.

Il percorso prosegue verso la camera da letto dove è il colore a dominare l'ambiente. Tessuti dai toni decisi vestono le pareti e richiamano con eleganza i complementi d'arredo in un armonioso connubio tra legno, volumi e tinte accese.

A seguire la sala da pranzo e il salottino riproducono tutta la classe e la formale raffinatezza araldo dei valori di Colombo Mobili.

A conclusione del tour il visitatore è invitato a rilassarsi nell'ultimo ambiente per ammirare i modelli classici dell'azienda presentati eccezionalmente disadorni dagli ori, bronzi e dalla lucidatura.

Gli arredi in questa versione nude-look sono spogliati dalle decorazioni e si mostrano con la loro semplicità genuina che risalta la tradizione ebanista della famiglia Colombo e conferisce un'atmosfera orientale alla sala.

The Colombo Mobili 2015 stand is structured like a journey to take visitors inside the company's world. Undisputed protagonist of this exhibition is boiserie, skilfully declined in every ambient.

On stepping through the entrance heedful visitors will perceive the dreamy and positive atmosphere typical of Colombo Mobili's staging.

The first hallway proposes the setting designed for the 2014 collection, a look over the recent past confirming the values and care which have always made Colombo Mobili's production stand out from the crowd.

The route continues through the bedroom where colour is king. Strong shades dress the walls and elegantly recall the furniture complements in a perfect combination of wood, volumes and bright hues.

Following are the dining room and sitting room, featuring all the classic and formal refinement symbolizing Colombo Mobili's values.

The tour ends with an invitation to the visitor to relax in the final setting to admire the company's classic models exceptionally displayed without the gold, bronze decorations and polishing.

The nude-look furniture pieces have been exposed undressed of their decorations and are showcased with all their genuine simplicity, exalting the Colombo family's cabinet-making tradition and conferring an oriental atmosphere to the room.
