FINITURE DETTAGLI_FINISHES AND DETAILS

Tutte le finiture dei dettagli che troverete nella cartella colori sono inserite nella versione liscia. Teniamo a precisare che suddetta versione corrisponde alle decorazioni delle cornici e dei particolari in metallo, mentre per quanto riguarda la decorazione dei "piedi" e delle "gambe" dei nostri articoli, salvo diversa Vs. comunicazione, verrà fatta su una superficie sabbiata. (escluso gamba e piede bound che sono sempre e solo lisci). Suddette finiture assumeranno pertanto connotati propri del legno, mettendo in risalto le venature del materiale così come sono evidenziati nel ns. catalogo fotografico.

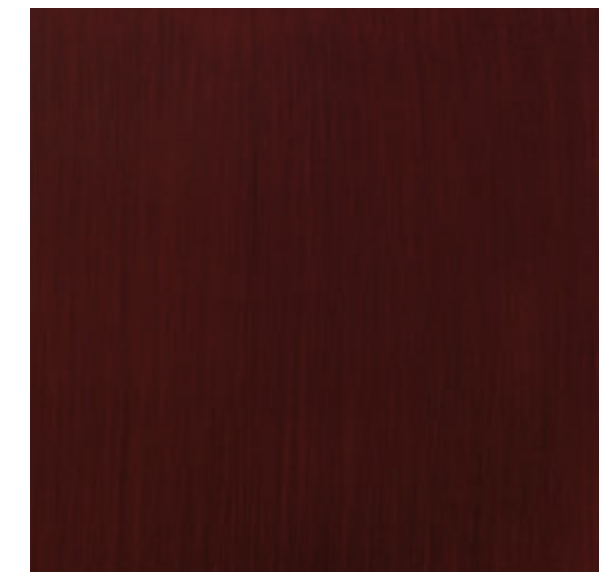

All the finishes of the details that you will find in the color card are in the smooth version. We would like to point out that the above mentioned version refers only to the decorations of the frames and the metal details, whereas the decoration of the "feet" and of the "legs" of our products, unless your different specific request, will be made on a sandblasted surface. (except bound legs and feet, which are always and only made in the Smooth version). These finishes will assume, therefore, the typical characteristics of wood, showing the grain of the material, as they are highlighted in our catalogue.
